(Start of Belt #10)

SPEAKER PROUD: ...your presence.

CLERK: Senators Mahoney, Stromer, and Snyder asked to be excused this afternoon, Mr. President.

SPEAKER: Will you please record your presence. Is there anybody who has not recorded their presence? The clerk will record.

CLERK: A quorum present, Mr. President.

SPEAKER: Do you have something, Senator Syas.

SENATOR SYAS: Well, I was just wondering since there is only 26 of us here, it is going to be pretty tight this afternoon. Just ask anybody. (Inaudible)

SPEAKER: I believe the Budget Committee is meeting but they are excused. If we need their vote, they can be called.

SENATOR SYAS: Here comes a slug of them.

SPEAKER: Have you any on the clerk's desk?

CLERK: Mr. President, your committee on Enrollment and Review reports---read. That is all, Mr. President.

SPEAKER: Mr. Clerk, where were we...on LB 68.

CLERK: LB 68. The Carpenter amendment found on Page 606 has been adopted. We now have two more amendments. This morning when we quit, we were just discussing the bill generally. One amendment by Senator Maresh. Read.

SPEAKER: Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, I discussed this with Mr. Quinlan and he went along with this amendment. What this does, it clarifies that the "grand-father clause" shall apply to all people even those that have been in only two years. I move that this amendment be adopted..unanimous consent.

SPEAKER: Now, is there any objections to the unanimous consent amendment? Did you all hear the amendment? Any discussion? All right. The amendment is attached, is adopted. Senator Duis.

CLERK: I now have one more amendment...

SPEAKER: Senator...Senator Epke, were you asking for the floor? Your light is on. The clerk will read.

CLERK: Read motion.

SPEAKER: If there is no discussion, the amendment is adopted. No, I rescind that. Any discussion. Whose amendment is that?

CLERK: Senator Richendifer.

SPEAKER: Senator Richendifer.

SENATOR RICHENDIFER: Mr. President, members of the Legislature, I think anyone that serves in here should be granted a license to practice law, funeral directing, or anything they want to.

SPEAKER: Are you asking for unanimous consent? Any further discussion? All those in favor say aye. Those opposed no. There is no question at all about that. The amendment fails. Any more amendments, Mr. Clerk.
